

Agreed - I agree with this and your comments, but I have one reservation - is there any reason why CTR should continue its funding when it knows we are committed to do so.

Re: Dr. Louis A. Soloff

Attached is Bill Shinn's letter of August 20 which identifies Dr. Soloff and his work, as well as the fact that he has consistently stood up, the last time in our grand Rapids case.

What Bill is asking, in effect, is for the six companies to make up \$11,000 for 1971-2 through 1974 to cover the overhead of a Soloff Assistant, and \$40,000 a year (the current grant) through 1974 in the event CTR does not renew his grant expiring 1971-2.

If you approve, I recommend we accede to Bill's request, but in the first instance only if all the other five companies agree as well.
